EBCO General Contractor - Cameron, TX

Sr. Superintendent *Nov '96 to May '08*
MW Builders Inc. - Temple, TX

Project Superintendent *'94 to '96*
Cooper Construction - Odessa, TX

As a **Project Superintendent** I managed project setup, staffing & closeout, scheduled & coordinated all sub-contractors as well as any work self-performed by the company. As a **Senior Superintendent** and **Construction Manager** I act as the company's primary representative on projects. I am responsible for the coordination of requirements, change management & problem solving while developing positive relationships with owners, architects, engineers and project staff. I am accountable for maintaining the budget, ensuring compliance with OSHA safety regulations & on-time completion of projects.
